

Blair Bartlett
Director, Insurance Services
Professional Liability
CapSpecialty

Blair Bartlett joined CapSpecialty in February of 2014 and is the Head of Insurance Industry products. In this role, Blair is responsible for the profitable production of a suite of professional liability products designed for the Insurance and Financial Services industries. This includes E&O for insurance agencies, and law firms, as well as E&O and D&O for insurance companies and asset management firms. Prior to joining CapSpecialty, Blair was at Allied World Assurance Company where he was responsible for E&O production in the Midwestern region as well as managing Insurance Agents E&O and Insurance Company D&O and E&O products nationally. Blair started his insurance career with Darwin Professional Underwriters in 2007, where he was an underwriter of Public D&O, Private D&O, and Financial Institutions Professional Liability. Prior to insurance, Blair worked as a floor trader on the American Stock Exchange. He is a 2002 graduate of Williams College.
