

**Brian Shea**  
Chief Information Officer and Chief  
Compliance Officer  
*MBX Medical Billing Experts*

As CIO and CCO of MBX, a national medical billing company owned by US Radiology Specialists, Brian brings 20+ years of IT related experience to the table, focusing primarily on enterprise infrastructure, operations and security. His unique management style inspires management and staff alike to become more innovative, accountable, results focused, competitive and customer service orientated.
