Kyle Schmitt
Managing Director, Global Insurance
Intelligence
J.D. Power

Kyle Schmitt leads global insurance intelligence product, data and analytics development at J.D. Power since 2017. He focuses on delivering data-driven consumer experience insight, technology solutions and client advisory within the Property & Casualty, Commercial and Life insurance sectors. He is an active thought leader in auto insurance competitive strategy and the application of technology to the insurance process with several publications in leading media outlets. He also holds a patent for AI-driven customer experience applications within the Life insurance sector.

Prior to J.D. Power, Schmitt led Strategy for Life, Auto and Claims at State Farm Insurance. He also spent 7 years in London as a Vice President Investment Banking, Insurance M&A with Barclays Capital where he provided financial and strategic advice to a global set of clients. He holds a bachelor's degree in Architecture, a masters degree in Structural Engineering from the University of Illinois at Urbana-Champaign and an MBA from the London Business School. He lives in Chicago with his wife and child.
