

Mark Harris
CEO & President
Quadrant Insurance Managers

Quadrant Insurance Manager's focus on integrity, relationships, and underwriting stems from our CEO and President, Mark Harris, who started his insurance career in 1972 and brings a wealth of experience and expertise to the company. Having worked at various insurance firms such as AIG, Coroon & Black (later: Willis), RHH (later: AON), and Assurex Marketing Group, Mark learned many aspects of the insurance industry. Forming Quadrant allowed Mark and his partners to put all of the pieces together and develop a talented, committed, and close-knit team that is dedicated to serving our clients' needs. In addition to the duties involved in running Quadrant, Mark is a producer, underwriter, and is very involved in instructing and mentoring our underwriting staff. While a great deal of underwriting today is done "in a box", Quadrant thrives on finding solutions "outside of the box" and challenges employees to follow that vision.

In 2019, we are celebrating Quadrant's 15th anniversary and over the years have developed specializations in management and professional liability, and difficult casualty and excess placements while acting as both a wholesale broker and program administrator. Insurance company ML & PL and agents & brokers E&O remain two of our leading programs.

Mark is an alum of Franklin & Marshall College, a past president of OAPSLO (OH Surplus Lines Org.), and a Certified Insurance Counselor (CIC) (25 years). Under Mark's guidance, Quadrant has built a long standing insurance practice, principally based in Management and Professional Liability for consultants, agents, brokers, reinsurance intermediaries, and insurance companies (of all types). After participating in open meetings held by the then Lt Governor Taylor, Quadrant was pleased to write the management & professional liability insurance for first captive approved under the new Ohio law.
