

Sharon M. Romano Petrelli
Vice President
Demotech

Sharon Romano is the Vice President and Co-Founder of Demotech. Sharon directs the finance and administrative functions for Demotech. She coordinates Title rating bureaus through the preparation of form, rate and rule filings and consults in product development and pricing, regulatory reporting and compliance matters.

Sharon has more than 30 years of experience in the industry and is a licensed Property & Casualty insurance agent in Louisiana, Michigan, North Carolina, Ohio and Pennsylvania. She has also served as a director of a Property & Casualty insurance company. She has been active in industry organizations, having served as a director of the Association of Insurance Compliance Professionals (AICP), President of the Midwest Forum Chapter of the AICP and National Chair of the AICP Conference Planning Committee. She also served on the Executive Committee of the Charter Property Casualty Underwriters (CPCU) from 2006 through 2009.

Sharon holds a degree from Columbus State Community College and has obtained the designations of Chartered Property Casualty Underwriter, CPCU, Associate in Insurance Accounting & Finance, AIAF, Associate in Regulation & Compliance, ARC, and Certified Compliance Professional, CCP.
